Dear God,
Strengthen me according to your word as you fill me with your presence. Help me to minister to ___________ and love him like you do. I pray that you would give him the desire to know you. I pray that his desire would be ever-growing and he will have a continual hunger for your presence and your word.

Hold his hand and walk with him. When life gets tough and he is tempted to stray, I pray that you would tug at his heart. Remind him of who you are and who he is in you. Give him strength to make it and let him know that only you will satisfy.

I pray that you will empower him with inner strength through your Spirit. Make your home in his heart and help him to trust in you.

LET HIS ROOTS GROW DOWN DEEP IN YOUR LOVE.

God, give him the power to understand how wide, how long, how high, and how deep your amazing love is. I pray that when he walks, he walks in truth. Surround him with angels to guard him in all his ways.

May his heart always be for you and his eyes on you forever.

In Jesus’ name,
Amen
